Martin van Beuzekom, George Bielen, Fred Hartjes,
Guus van Kessel and Annie Pasteuning

CVA meeting
Hilversum, April 24, 2010

Which NF stage?

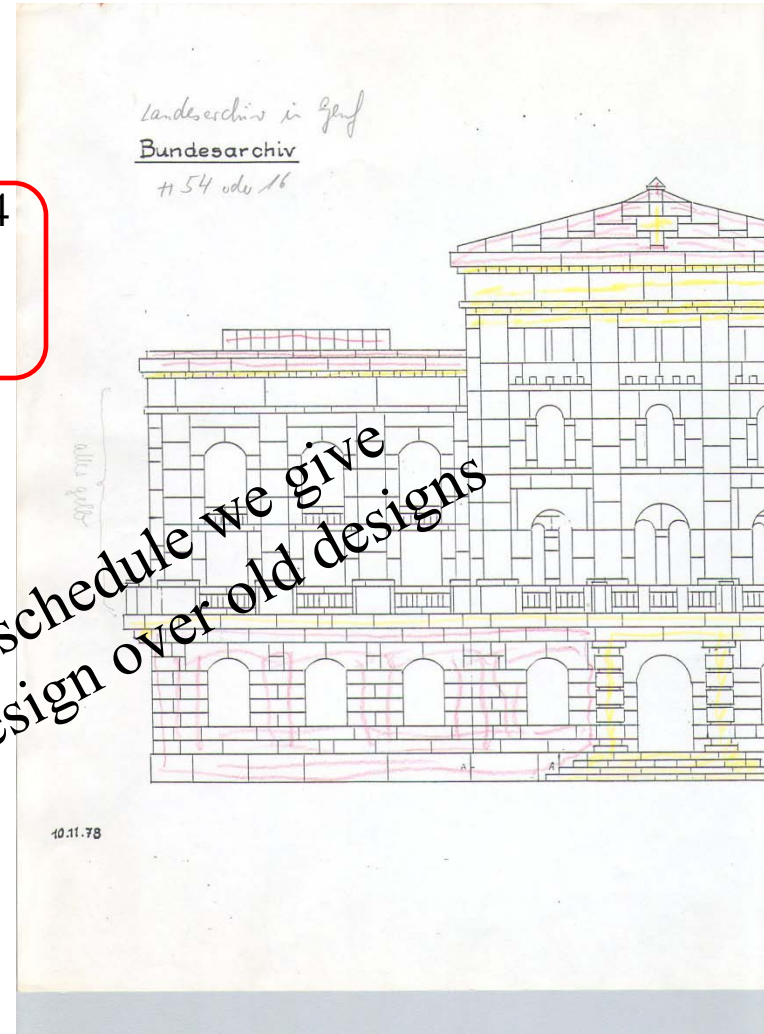

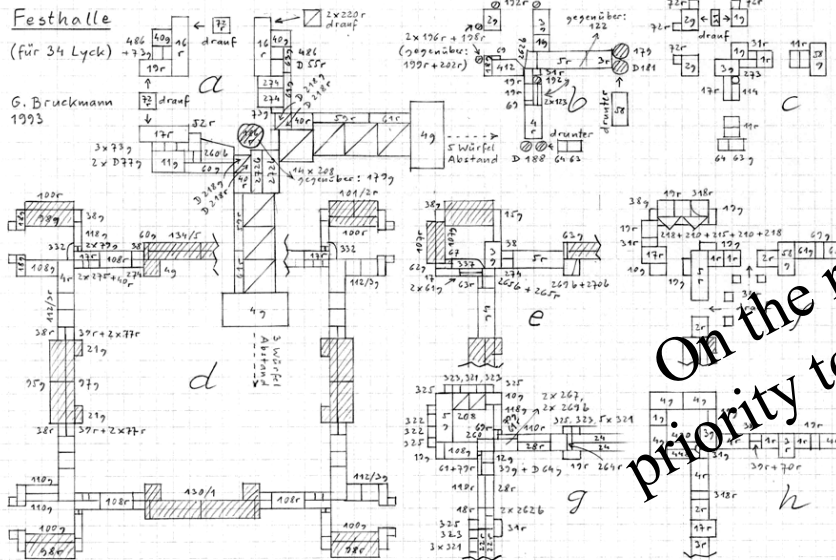

- ◆ NF32B is now being sold by the Anker factory

● => we are considering now designs up to NF34

- ◆ Large Anker sets, designs very labour intensive
- ◆ Not many new contributions

- ◆ But there is a multitude of 'old' designs for NF34

- Gerhard Bruckmann (5x)
- Eduard Wytenbach (>12x)

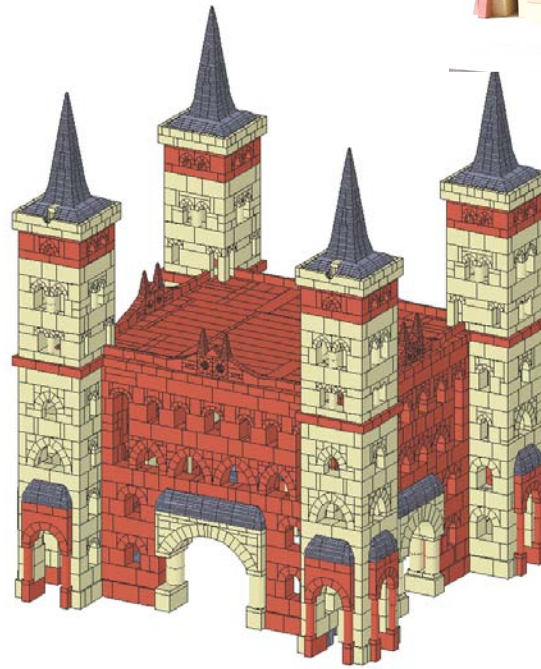

On the reviewing schedule we give priority to recent design over old designs
